**B. OWNER-BUILDER DECLARATION**

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the reason checked below. Per Business and Professions Code Section 7031.5, any city or county that requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the permit applicant to file a signed statement that he or she is either licensed (pursuant to Contractors' State License Law Chapter 9 Section 7000) OR that he or she is exempt from licensure and provides the basis for the alleged exemption. Any violation of Section 7031.5 by a permit applicant subjects the applicant to a civil penalty up to \$500.00. **Check only one box:**

- a) I, as owner of the property, or my employees with wages as their sole compensation, will do (\_\_\_) ALL or (\_\_\_) PORTIONS of the work, and the structure is not intended or offered for sale. Per Business and Professions Code Section 7044, "the Contractors' State License Law does not apply to an owner of property who, through employees' or personal effort, builds or improves the property, provided that the improvements are not intended or offered for sale. If the building or improvement is sold within one year of completion, the Owner-Builder will have the burden of proving that it was not built or improved for the purpose of sale.
- b) I, as owner of the property, am exclusively contracting with licensed contractors to construct the project. Per Business and Professions Code Section 7044, "the Contractors' State License Law does not apply to an owner of property who builds or improves thereon, and who contracts for the projects with a licensed contractor pursuant to the Contractors' State License Law."
- c) I am exempt from licensure under the Contractors' State License Law for the following reason: \_\_\_\_\_  
By my signature below I acknowledge that, except for my personal residence in which I must have resided for at least one year prior to completion of the improvements covered by this permit, I cannot legally sell a structure that I have built as an Owner-Builder if it has not been constructed in its entirety by licensed contractors. I understand that a copy of the applicable law, Business and Professions Code Section 7044, is available upon request when submitting this application or at the following website: <http://leginfo.legislature.ca.gov>
