RJOB Data Subcommittee Work Plan

Goal: Improve racial and ethnic equity in justice systems by developing standard practices for data collection and reporting and improving capacity for county agencies and programs (including those administered by CBOs) to report accurate individual level data disaggregated by race and ethnicity

Objective	Activity	Lead & Team	Completion Date	Deliverable
Objective 1: Support the collection/reporting of accurate data in all criminal justice and law enforcement agencies countywide	 Provide links to publicly available data at the national, state and local level (as available) surrounding social justice related factors within the population. These links would include demographic data as well as criminal justice, law enforcement, education and other data sources that are relevant to racial disparities. Identify and disseminate a prioritized list of additional countywide and/or agency specific data that will support meeting the objectives of the RJOB and Racial Justice Task Force. Activities when additional resources become available to the ORJ or a Contra Costa Racial Equity Office opens: Implement a marketing and advertising initiative to 	Data Subcommittee, Burns Institute, Office of Reentry and Justice		Required Deliverables 1: ORJ or other county entity identified by the BOS shall maintain an up-to-date web site or web page with information about and links to publicly available data related to the demographic, criminal justice, law enforcement, and education patterns present within the jurisdiction of interest (local, state, national). These would be sources of data where data could be viewed by race/ethnicity.
	acknowledge and publicly praise			

government agencies (e.g. LEAs,
CBOs) voluntarily collecting and
providing additional requested
data. Initiative can also include
publicizing agencies not collecting
and sharing requested data.
4. Support development of data
capacity and practice changes to
ensure that all requested data
points and categories of data are
accurately recorded and reported
by each participating agency.
5. Respond to any and all privacy
concerns and other issues raised
by county agencies through
training, recommendations and
negotiations (if necessary) with
county agencies (reported out to
and approved/supported by the
RJOB)
6. Provide consultation and
recommendations to law
enforcement and criminal justice
agencies on best practices
surrounding the collection of data
related to ethnicity in an effort to
improve the accuracy of the data
for the Latinx population.
7. Develop a countywide training on
ethnicity data collection best
practices to improve the accuracy
of data regarding the Latinx
population.

Objective 2: In an effort to create greater transparency and accountability of County criminal justice and law enforcement agencies, the Office of Reentry and Justice shall publish data related to the demographic, criminal justice, law enforcement, and education patterns present within the County by race/ethnicity.	1.	Activities when additional resources become available to the ORJ or a Contra Costa Racial Equity Office opens: Develop an online format or dashboard to be easily accessed by the public, public agencies and non-profit organizations.		Required Deliverables 2: As resources and public agency and law enforcement participation allows, develop local webbased data dashboards for public access. Data should be presented by race and ethnicity, easily accessible to the public and updated annually.
Objective 3: Office of Reentry and Justice shall support analysis of interventions implemented through the RJTF to measure efficacy and assess impact on racial disparities All activities under this objective to be reported to the RJOB and any other bodies/collectives identified by the Board of Supervisors.	1.	Conduct annual review of criminal justice and law enforcement outcomes to assess the presence of racial disparities. Make recommendations to improve programs and practices related to the elimination/reduction of any racial disparities. Activities when additional resources become available to the ORJ or a Contra Costa Racial Equity Office opens:		Required Deliverable 3: As resources become available, develop annual reports surrounding criminal justice, law enforcement, and educational outcomes by race/ethnicity. Pending data availability, these reports would also assess programmatic outcomes and interventions by race/ethnicity and provide recommendations to improve programs and practices, as necessary.
	3.	Conduct assessment of any interventions designed to reduce racial disparities.		

	4. Conduct comprehensive		
	assessment of current data		
	capacity for relevant CBOs and		
	other agencies to report data that		
	allows for an assessment of		
	impact on RJTF/RJOB alternatives		
	and interventions		
	5. Support, through consultation		
	and training, the development of		
	capacity in relevant agencies to		
	collect/report relevant data		
	showing impact of reforms.
