

8. What do you see as the 2 *most important areas of need for individuals* returning to their communities from custody?

9. Please describe how the CAB can better support your agency/programs in order to reach your stated goals/objectives?

10. What else would you like the CAB's Programs and Services Committee to know?

Thank you! Once the survey results have been summarized, they will be shared with the AB109 service provider community.
