Welcome to Contra Costa County’s 2019 Local Appointments List, and thank you for your interest in local government!

Contra Costa is governed by a five-member Board of Supervisors elected to represent citizens of our County. County government also includes a variety of citizen commissions, committees and other entities formed to advise the Board of Supervisors and County staff on issues and policy. County advisory bodies are created as a result of State and Federal legislation, agreements with public or private agencies, and at the direction of the Supervisors to address local needs. They serve as links to our community, expanding the dialogue between the public and the County government, and enhancing the quality of life for our residents.

We welcome the participation of our citizens, and have a wide variety of positions available. Some of our appointed bodies have very targeted, specific focus, while others have broad-based jurisdictional responsibilities.

The following list includes the seats on Contra Costa’s local advisory boards that are scheduled to expire in the upcoming year, on or prior to December 31, 2019. Please note that additional seats may become available throughout the year, and can be found on the Clerk of the Board website.

If you would like to apply to an advisory board or committee, you may submit a paper application to the Clerk of the Board of Supervisors or use the online application available at http://www.co.contra-costa.ca.us/3418/. All of the relevant materials for advisory boards and commissions are available online at the website above, including an up-to-date roster for each board and information on vacancies.

We invite you to visit our website to learn more about current and upcoming opportunities to serve on local commissions.

For any questions about local advisory bodies or the application process, please contact the Contra Costa County Clerk of the Board of Supervisors at (925) 335-1900.

Sincerely,

Jami Napier
Chief Assistant Clerk of the Board of Supervisors
