## CalGreen Letter of Acknowledgement for Non-Residential Projects

### ***Important Information***

**Check to acknowledge that you've read, understand, and agree to comply with each statement:**

\_\_\_\_\_ I will **communicate with all** contractors, waste haulers, and anyone removing debris from the project site to ensure they are aware of this requirement and are taking the necessary steps to meet and prove compliance.

\_\_\_\_\_ During Construction Activities, I will **collect receipts, and other verifying documentation for any waste load** leaving my project site.

\_\_\_\_\_ I will call my chosen facility to **verify the process for obtaining C&D recycling receipts** before hauling any loads away from my project site.

\_\_\_\_\_ Prior to leaving facility, I will **confirm that all receipts received from facilities include date, facility name, type of material, amount, and unit of measurement** for each load.

\_\_\_\_\_ If I use a **facility that is NOT on the "Approved C&D Processing Facilities" list**, I will pay **the associated fee** and submit a Diversion Certification Form along with receipts and appropriate documentation. I understand that I will not receive recycling credit unless Diversion Certification Form adequately demonstrates the level of recycling to DCD.

\_\_\_\_\_ After construction activities have ended, I will **complete the required CalGreen Report and Supplemental Land Clearing Debris Report** electronically, attach all receipts and other verifying documentation, and submit them collectively via e-mail to [recycling@dcd.cccounty.us](mailto:recycling@dcd.cccounty.us).

\_\_\_\_\_ I understand that **my final inspection will NOT be scheduled** if CalGreen Reports and documentation do not adequately demonstrate 65% by weight of Construction and Demolition Debris and 100% of Land Clearing Debris was diverted (recycled or reused) from the landfill.

\_\_\_\_\_ If I am not the property owner for this project, I **promise to provide the property owner with a copy of this CalGreen Plan and Letter of Acknowledgement** being submitted on their behalf.

*By typing my full name and e-mail address below, I acknowledge that I am responsible for complying with the above statements regarding the construction and demolition waste recycling requirements of the CalGreen Building Standards Code as amended by County Ordinance.*
