

CONTRA COSTA COUNTY

Department of Risk Management

TO: Contra Costa County All Staff

FROM: The Training Unit

DATE: June 9, 2021

SUBJECT: Target Solutions Becomes Vector Solutions

The e-learning platform that was formerly known as “Target Solutions” is now called “Vector Solutions.” The platform continues to provide compliance and professional development trainings for Contra Costa County’s workforce, including Anti-Harassment training and Workplace Diversity training. Courses that are currently available will continue to be offered. The link to the Vector Solutions website is also the same: <http://www.targetsolutions.com/cc>. For more updates regarding Vector Solutions, view the Training Time articles in the Risky Business newsletter. The articles provide information on new e-learning platform developments as well as compliance training details and developments.

If you experience:

- Issues with Vector Solutions, seek out your department’s Vector Solutions Point of Contact (VSPOC)—formerly called a “TSPOC”—for assistance.
- *Access* difficulties, contact the Vector Solutions Support Team at vectorsolutions@riskm.cccounty.us.
- *Technical* difficulties (e.g., browser issues), contact your department’s designated IT personnel.

Thank you.
